THANK YOU, THANK YOU, THANK YOU !!!

Thanks for our involvement in the AMAMPONDO fund raiser for Lynnwood. Although the Community Concerns Committee had some difficulty with this request, we proceeded with \$500 support plus half of the proceeds from the food sales for Lynnwood.

This event was just the kind of exposure our club needs. Did you see our club name prominently displayed on the front page of the Tuesday Times? Hands on help with the food services (at no cost or risk to the club) and our donation gave us the

opportunity to display our bike and sell tickets. And sell we did, with special thanks to Rhonda and her Bomber Buddies for a display of chrome and noise... you gotta have fun doing this and a reason to approach people (strange thing happens...when Jeff stands with me we work for a sale but when Lucia is close by, sales soar...blondes and bikes.) Thanks all....Tilly, Brian Snow, John Race, Donna, Dave Murphy, Jeff and especially Lucia and Carol's little girl Bobbi. KMJ

SUMMER & YOUTH.... WHAT A GRAND COMBINATION!

The Swedes were out in full on Tuesday morning...Martin, Ole and Karl have been here for a few days, enjoying the Canadian hospitality of their host families as part of the Summer Exchange program that Rotary offers. The Canadians, Laura Beth Steiner, Steve Payne and Tim Kovacs, will be enjoying the Swedish lifestyle come August....ah, just in time for the Lobster season! The evenings are still warm, the sunlight lasts long into the night, and it's a wonderful celebration of outdoor living before the autumn darkness creeps in. I remember it all very well~ The Summer program is a great "test" for your kids who are at least 15 years old and want to peek out beyond their doorstep...see Lucine for details on how your kids or grand kids would get involved.

For general information on Rotary Exchanges (both long-term and short term), you can visit www.studentexchanges.org. There's lots of useful information here, as well as links to other sites.

BEER AND NAPKINS ... IT'S ALL IN A DAY'S WORK FOR OUR SERGEANT!

Mark Boerkamp gave us some "European" culture on Tuesday morning, which even included a lesson in pouring the "classic European" way...all very entertaining, but I was really hoping for the "taste to believe" contest ...oh well, like he said, it was a LITTLE early to start imbibing! I've still gotta get to the beer store to pick up that Kawartha Raspberry brew – it sounds a little too good to be true! The napkin tricks were cute....can't believe Tamami taught you the Japanese bra trick!! Just goes to show...never judge a book by its cover!

HARLEY HAPPENIN'S

Yvonne is tracking ticket sales, and after the big "13" we'll get an update. Jeff encouraged club members to consider bringing the bike into any event that you are involved in (corporate or otherwise) to increase sales. Contact Dave Bradshaw or Rhonda to make arrangements for the bike's appearance at your event. **DON'T FORGET** – you are responsible for getting ticket stubs back to Yvonne so that they can be entered in the draw!!!

HOST FAMILIES - WE NEED YOU!

Lucine is also putting out the call.....she's recruiting for the next batch of kids due in this year. Please give hosting some serious consideration...it's far more fun than anyone can explain, but let Mark, Yvonne, Lucine or Jeff just get a hold of your ears for 5 minutes and you'll be hooked!

BREAKIN' UP IS HARD TO DO

And so is saying goodbye....Lucine will host a farewell open house for Temami at her home on Tuesday, July 31st from 4-6 pm. Come on out and bid our little Japanese gem a fond Canadian farewell.

ROTARY INTERNATIONAL CONVENTION in San Antonio

Yes, like the saying goes, "Everything's big in TEXAS" – Keith and Joyce Flexman just returned from the Alamo Dome, which hosted 24,000 Rotarians from 134 countries – He said it best when he said "Chaos Reigned" – The events were great, and seeing the new international president, Rick King, was interesting too. Getting around was pretty challenging, cause the organizers just couldn't accommodate the sheer volume of people, but all in all, a great time was had by all.

WEB SITE RESULTS

The winners for Best Rotary Web Sites were announced at the Rotary International Convention in San Antonio recently. Despite our nomination for Best Rotary club Site, we did not win. With the experience and feedback we've received, rest assured that we will win next year. How's that for a goal! Once again, if anyone has any ideas on how to improve the site, please use the feedback link on our website, or email directly to thomasi@rdsdata.com. Thanks once more for all your support! IMT

A LITTLE BIT OF HUMOUR

A family doctor, an internist and a surgeon were out duck hunting. They agreed to take turns shooting their prey. A bird appeared to the left heading towards them. The family doctor spoke first. "Well, it looks like a duck," he said, and he fired a shot. However, much to his chagrin, he missed by a great deal. A few minutes later another bird appeared. The internist cried: "This one's mine. It looks like a duck. It flies like a duck, but I think I should do a few more tests before firing." By this time, the duck had flown well out of range. "Move over," said the surgeon. "I'll show you guys how it's done." They waited. Finally a bird appeared in the sky. The surgeon immediately cocked his rifle and shot the bird dead. When his trusty dog came back carrying the bird in his mouth, the surgeon grabbed the bird and shouted, "What do you know? It is a duck!"

Having just had judgment entered against him, Mr. Walters was upset to be handed his lawyer's bill. "It says here that I have to pay you \$10,000 now and \$500 a month for the next five years! It's like I was buying a top-of-the-line Mercedes!" The lawyer smiled and replied, "You are."

Sunriser Bulletin

Publication of the Rotary Club of Norfolk Sunrise
Communications & Public Relations Committee
