COATS FOR KIDS!

Success breeds success! On Sat. Nov. 17th, over 400 coats were given away, as well as over 175 pairs of boots and 300 pairs of mittens.

The remaining clothing

was distributed to the Women's Shelter, and then into the Langton community (where the famous Mitten Ladies come from.) A huge thanks goes to Randy Bridge for his ongoing commitment and support of this program, and to Jeff and company for continuing to co-ordinate and "wrangle" with the "Mitten Ladies".

Nice coat Keith!

SNOWY IN HIS ELEMENT

It was with great pride, enthusiasm and dedication that Brian hosted the tour of the new SCS Science Labs on Nov. 20th. It seemed like many of our members, who had tread those hallways YEARS ago, were just as intrigued and impressed as those of us who had never been inside the school before. What a set-up the kids of today have at this "flagship" science department! Correct me if I'm wrong, but \$100K will have a huge impact on the kids' abilities to learn of leading edge opportunities in all science fields. They even take astronomy these days! I asked Bob Foster, Principal Extraordinaire, a.k.a. our tour guide, if I could come back to school, but alas, no go

SOAPBOX SALLY

Ok, your editor is back on the box...I've just come back from a business trip, and I missed the meeting on Tuesday. I happened to chat with Wayne on Wednesday, and found out that lots happened (slate of officers was proposed) but I wouldn't have known about it, had I not talked to Wayne. I know we're all busy ... but FOLKS....please call, fax, or email your EDITOR – let me know what's happening, so that I can get it into the SUNRISER and all of us can stay informed. (WHEW! THANKS!)

Note to Committee Chairs: please give me a brief report/update after EVERY meeting so that club members can stay connected to what's shakin'.

The other thing that has bothered me is that while many of us are "morning people", some of us are not. We need to

step back and give some serious consideration to the way we are spending our hard earned dollars. Are we giving each and every issue that needs to be voted on its DUE DILIGENCE? Was it just me who felt that the CAS Xmas Party vote was a little hasty? I often feel pressured to make a decision because of "timing" – I know we can't sit on the fence with some of these issues, however may I make a suggestion? When the club needs to vote on any expenditures because the amount is over and above what the appropriate committee is allowed to approve on its own, the SUNRISER is the perfect vehicle to PRE-WARN and EDUCATE the members of the issue, tell us what's involved, and allow us a chance for feedback or to get answers to our questions.

ELECTIONS PENDING?

The Slate of Officers for July 2002 was proposed at the Tuesday meeting as follows:

President Sue O'Dwyer
President Elect Keith Jones
Treasurers Charlie Douglas, Lynn Jarvis
Directors Peter Wheatley, Dave Murphy, George Cornfield
Secretary To Be Confirmed

According to the process, any club member who is interested can submit their own or another members' name for consideration for any of the positions above. If an election is required, it will be held. Club members have 2 weeks from the announcement date (which was Nov. 27th) to put submit names.

WELCOME NEW MEMBERS

Chalk it all up to "Girls Just Wanna Have Fun!" We're really excited to have Jenni Mudge-Winters and Christine McCoy coming on board as new members. Give Georgia, Jenni and Christine a warm Rotary welcome the next time you see them...they don't know what (fun) they're in for!!

BUILDING BRIDGES

Yes, guess what? It's Nov. 30th... do you know where your Buddy is? As I said, this is a fun thing...if any of you don't have a buddy yet, call me, and we'll get you set up. Watch for future reports in upcoming editions.

A LITTLE BIT OF HUMOUR.....

SKIERS

This is to remind skiers how to prepare for the ski season and to remind non-skiers why they do not ski.

10. Visit your local butcher and pay \$30 to sit in the walk-in freezer for half an hour. Afterwards, burn two \$50 dollar bills to warm up.

9. Go to the nearest hockey rink and walk across the ice 20 times in your ski boots carrying two pairs of skis, accessory bag and poles. Pretend you are looking for your car.

8. For ski boot simulation at home, put a pebble in your street shoes and tighten a C-clamp around your toes.

7. Buy a pair of gloves and immediately throw one away.

6. Go to McDonald's and insist on paying \$6.50 for a hamburger. Be sure to wait in the longest line.

5. Clip a lift ticket to the zipper of your jacket and ride a motorcycle fast enough to make the ticket lacerate your face.

4. Drive slowly for five hours - anywhere - as long as it's in a snowstorm and you're following an 18 wheeler.

3. Fill a blender with ice, hit the pulse button and let the spray blast your face. You'd almost believe you're skiing in front of a snowmaker!

2. Dress up in as many clothes as you can and then proceed to take them off because you have to go to the bathroom.

1. Repeat all of the above every Saturday and Sunday.

COMMITTEE MEETINGS

HEAD SAMURAI

Way back in the time of the samurai, there was a powerful emperor. This emperor needed a new head samurai. So, he sent out a message to everybody he knew for them to send a message to who they knew, and so forth. A year passes, and only three people show up: a Japanese samurai, a Chinese samurai, and a Jewish samurai. The emperor asks the Japanese samurai to come in and demonstrate why he should be head samurai. The Japanese samurai opens up a matchbox, and out pops a little fly. WHOOOOOSH. The fly drops dead on the ground in 2 pieces! The emperor says, "That is very impressive!" Then the emperor asks the Chinese samurai to come in and demonstrate why he should be head samurai. The Chinese samurai opens up a matchbox and out pops a little fly. WHOOOOOSH. WOOOOOOOSH. The fly drops dead on the ground in 4 pieces! The emperor says, "That is really impressive!" Then the emperor asks the Jewish samurai to come in and demonstrate why he should be head samurai. The Jewish samurai thinks, "If it works for the other two..." So the Jewish samurai walks in, opens a matchbox, and out pops a little fly.

WHOOOOOOOOOOOOOOOOOOOSSSSHHHH. A gust of wind fills the room, but the fly is still buzzing around. The emperor says in disappointment, "Why is the fly not dead?"

And the Jewish samurai replies, "If you look closely, you'll see that the fly has been circumcised."
