COUNT DOWN TO THE HARLEY HAPPENS ...

Well, its September 21 and we all know what is happening on October 21...in between parking cars so people can see our scary movie, some lucky \$10 ticket purchaser is going to be presented with our Teal 883 Sporty that Jeff has been busy babysitting. Mayor Rita is revved up to draw the chrome winning ticket at 4:00 p.m. at the Pumpkinfest Motorcycle show. That's Sunday October 21 in the Waterford IGA Shopping Plaza Parking lot. 30 days and counting down...

Over the past four months (yes it was only June when we all agreed to do this) this little hog found temporary lodgings and has done some traveling. Dave picked up a small yet quaint mobile home & gave it a quick coat of paint. Jeff made a rolling stoop & cleaned out a corner for her to rest. Rhonda got some tickets,

signage and a male friend to spruce things up (there was a little leather clad guy who used to hang out with Sporty but he has been notably absent for awhile now).

We debuted our chrome babe at the Phoenix Club back in June. Amidst the backdrop of some awesome music we introduced Harley Happenins to Norfolk County. From Simcoe, we motored to Dover for two special outings-Canada Day and the infamous Friday the 13th. In between the chrome and leather, our little gal shone up a storm in Bradshaws corner lot as her big brothers drove up and down Main Street.

Back in Simcoe we commanded much attention at the Friendship Festival. In between celebrating Norfolk's vegetables-Cornfest and Tomatofest, Sporty also hung out with one of our three favorite bank Managers. To make her feel at home the Scotia Bank clan donned their leathers. Club members saw this as a Rotary challenge and were quick to book dates with our little lady. Uncle John took her out on the town to Century One Plaza showing her a grand time. Waterford's #1 Realtor and cabbage lady felt our chrome beauty needed some exposure and profiled her on Pumpkinfest's Main Street. Our little pork princess is off to the Royal Bank after a guest appearance at the Tobacco Capitol.

To say the least, our little hog has had quite the social calendar. When our attitude filled friend hasn't been out on the town, she has been hanging out across from the Beer Store with silhouettes of plumbing fixtures dancing in her head. Throughout this fast paced itinerary, 1900 tickets have been purchased by wannabes.

Have you got yours?

COUNT DOWN TO THE HARLEY HAPPENS ... (continued)

Special thanks to Club members and friends who have escorted Sporty on her travels. To the Rotarians who have taken tickets to find her a new home-thank you!

Despite these efforts, we still have a long way to go & 30 days in which to do it. The chrome goddess is up for grabs on the weekends of September 29/30 & October 13/14. She has travelling plans for the Norfolk County Fair on October 2, 7, 8 & 9 finishing up her 4-month tour on October 19, 20 & 21 at Pumpkinfest.

If you would like to host this narly little lady for an afternoon, day, night or weekend please call her guardian (temporary position only, Jeff) know as soon as possible. She is a great attention grabber and sure crowd pleaser. Want to draw people into your business, create a commotion or just give people something to talk about-call 426-8801 to get in on the action.

Still need more of a nudge? Well here goes...the highest selling ticket peddler in the club will receive a \$50 gift certificate compliments of the Barrel Pizza. Sounds tempting...

Don't like pizza? Well we have a Plan B. The "B" stand for "Book". For each book, each Rotarian sells your name goes in a hat (yes, for the bean counters, 2 books means 2 chances to win) for a draw on a Sunday afternoon bike cruise for two. There is a big Softail in the club (granddaddy of our little Sporty) and a barky Vulcan driven by a Club member's spouse that are itching to take you out and show you what it is all about.

The Pizza and Bike cruise will be drawn at our October 16 meeting. This is the morning ALL tickets and money HAS to be turned in. When we pull this off-it could mean \$20,000 for NGH. With your help, we can do it!

COMMUNITY CONCERNS

We spent some time discussing a new project of REACH which is to provide a respite home for medically fragile, multiple handicapped children. They have purchased a house and need everything that is needed in a home-Appliances, TV's, furniture etc. The critical need to open the house (slated for Nov 1) is appliances and so the community concerns committee is looking at supplying one

or more appliances. The home is currently funded for 150 days per year and will operate on weekends mainly to give a place where children can safely go while parents and caregivers get a weekend break. If anyone has ideas on how we can help or suggestions please call Jim Dawson.

WORTHY OF CONSIDERATION

"If I look at the masses, I will never act. If I look at one, I will." (Mother Teresa)

"Everyone has the power for greatness, not for fame, but for greatness, because greatness is determined by service." (Martin Luther King Jr.)

Jim Peters proposed to President Steve & to the club that a committee be formed to determine how we can help the Canadians who suffered losses in last week's attack in NYC / Washington and Pennsylvania. A fund has been started and updates will follow.

BUILDING BRIDGES

We're excited to announce that the Fellowship and Sunriser committees co-launched a program to build friendships among members called Building Bridges. Each member who was present at this week's meeting was matched to a "Buddy" member. For those who weren't there on Tuesday, you'll get a Buddy over the next couple of weeks. The program's easy: Just meet for drinks, coffee, lunch or dinner by Nov. 30th. Each person will interview each other using the supplied guideline (get extra copies from Carolyn if you've already lost it!), bring a photo of yourself in action (ie. Favourite trip, hobby, sport) to go along with the interview sheet.

When you're done, hand in the sheet and photo of your buddy to your friendly Sunriser editor by Nov 30th. We'll publish the interviews over the next few months. As a thank you, as soon as you hand in your sheet and photo, we'll give you a chance to draw a "FAVOUR" card. It's a surprise gift just to say THANKS! Any questions? Call me @ work: 426-6069 or email me @ cwiens@adroinc.com.

SPOOKHOUSE

We need help every Sunday afternoon between 1-4:30 – Sue asked that teens interested in helping be introduced to her so she can screen them before assigning them various duties. Sounds like it's shaping up to be a "SCARY GOOD TIME!" Hey, will anyone interested in taking on the Parking Lot co-ordinator position please call Sue?

Kazi reports that the Pumpkinfest committee is looking for fresh volunteer "blood" (How appropriate!) Apparently, the festival has really become a mammoth administrative job, and they need help. Please contact her if you can chip in!

NIGERIA ANYONE???

Jim Peters is investigating the possibility of travelling to NIGERIA in January to continue the fight against Polio. Anyone interested, please contact him

UNITED WAY

Deena tempted us with a fun chance to throw a pie in the face of our favourite Bank Manager this Friday from 11-2 at the Phoenix Club to raise funds for United Way. A BBQ will be held as well. She even volunteered to take George's pies since he's on vacation! Way to go Deena!

GSE PROGRAM

It's on again! The destination is Korea April 2002. The search is on for a Group Leader. Please get details from Lucine McKay if you have any recommendations or a personal interest in pursuing this program.
